EDUCATION

VIVES

Bachelor of Applied Computer Science

Kortrijk, BE

Sep. 2022 – Jun. 2024

VIVES

Associate of Computer Programming

Kortrijk, BE

Sep. 2020 – Jun. 2022

EXPERIENCE

Full Stack Developer Internship

Delaware

Mar. 2024 – Jun. 2024

Kortrijk, BE

- Developed a full stack web app admin portal using React, C#, Azure Table Storage and Fluent UI.
- Learned to dynamically generate web pages based on JSON schemas built from model metadata.
- Learned the intricacies of working with Azure DevOps and Microsoft Graph.

Teaching Assistant

CodeFever

Sep. 2023 – Jun. 2024

Kortrijk, BE

- Assisted teachers in their programming classes by resolving technical issues and preparing the computers.
- Helped students get on the right track during exercises and assist where necessary.
- Motivated students to be productive and to take on more challenging exercises when they're ahead.

Full Stack Developer Internship

FOD Economy

Sep. 2021 – Jun. 2022

Brussels, BE

- Developed a full stack web app using Angular, Spring Boot and SQL to manage sand and gravel extractions.
- Learned about ways to style Angular applications using PrimeNG.
- Worked in a team using scrum with daily standups and biweekly sprint reviews.

PROJECTS

Portfolio Website | TypeScript, Angular, SCSS, Material UI, Git

<https://github.com/ImoutoLily/portfolio-webapp>

Oct. 2023 – Present

- Developed a portfolio website with Angular to showcase who I am and what I do.
- Automated project deployment to GitHub Pages.
- Designed with a responsive and custom design through the help of Angular Material and media queries.
